

Brookland MS Academic Planning Team

Location

DCPS Headquarters

1/10/13

3:00 p.m. – 4:00 p.m.

Academic Mapping (20 minutes)

- How could the identified courses and experiences fit into the academic year?
- Use course scheduling guides designed by Ben as reference
- Discuss implications of extended day schedule

Logistics (30 minutes)

- Begin discussing the following as necessary to support the recommended programming:
 - Budget implications
 - Staffing implications
 - Staffing projections
 - Use sample budgets available on google docs as reference

Next Steps (10 minutes)

- Add recommended schedule to school overview narrative
- Identify potential budget gaps which will absolutely need to be supported by community partners
- Develop comprehensive partner list for discussion at next meeting
- Develop updates to share with Brookland SIT
